## ELECTRONICS MANUFACTURERS REPRESENTATIVES

INSTRUMENTATION ♦ CONTROL ♦ DATA ACQUISITION ♦ COMPUTERS  
TELEMETRY ♦ TIMING ♦ COMMUNICATIONS

### TELEMETRY / TIMING / RF PRODUCTS

### MANUFACTURERS REPRESENTED

APOGEE LABS, INC.	Digital Data Transport Products & Systems for Communication, Instrumentation & Telemetry Applications: Multiplexers/Demultiplexers, Bit Error Rate Test Sets (BERT), Interfacers & Data Link Test Sets
EMPOWER RF SYSTEMS, INC.	Solid-State, High-Power RF & Microwave Amplifier Modules & Systems: 10 KHz to 6 GHz, with Power Ranging from Tens of Watts to Multi Kilowatts, CW & Pulsed
INNOFLIGHT, INC.	Software Defined Radios, Space HAIPE COMSEC, Space Processors, Space Networking & Payload Interface Electronics
INSTRUMENTATION TECHNOLOGY SYSTEMS (ITS)	Airborne, Mobile & Portable IRIG Generators, Video Time Inserters, Video Data Encoders & Video Synchronization Systems
L3 TECHNOLOGIES <b>TELEMETRY &amp; RF PRODUCTS</b>	Telemetry Hardware and Software Systems for Airborne, Ground, Space, Intel, Security & Surveillance including: Transceivers, Transmitters, Receivers, Transponders, Power Amplifiers, PCM Encoders, COMSEC & Bit Syncs
MEGAPHASE, LLC	RF & Microwave Test & Measurement Cables, Adapters & Components: DC to 110 GHz
MICROWAVE PHOTONICS SYSTEMS	RF, Microwave & Fiber Optic Products for Military & Industrial Applications: Passive Optical Components, RF/Optical Link Modules & Plug-Ins, Systems Engineering & Custom Solutions
MU-DEL ELECTRONICS, INC.	RF & Microwave Products for Telemetry, Telecommunication, Satellite Communication: Multicouplers, Frequency Converters & Translators, RF Switching & Distribution Systems
SAF North America LLC	Spectrum Analyzers: 300 MHz-87 GHz, Handheld, Rugged, Affordable, Ultra-Compact
SPACE VECTOR CORP.	Launch Vehicle Subsystems & Subcomponents: GPS Tracking Units, Batteries, Cabling, Separation Systems, Pneumatic Components & Structures
TEXTRON SYSTEMS, ELECTRONIC SYSTEMS	ATE Systems for Commercial & Military Avionics, RF Microwave, Space, Satellite Communications, Flight Line, Medical, RADAR & Industrial Applications
VIASAT, INC.	High-Performance Antennas & Positioning Systems: 5.4M & Larger at S, C, X, Ku & Ka Band; Low & High-Rate Modems for TT&C & Payload Downlink Processing; Complete Turnkey Ground Stations

## **EMBEDDED PRODUCTS / COMPUTERS / TEST EQUIPMENT / AVIONICS / CASES**

ACROMAG	Analog, Digital, Serial & FPGA Based Embedded I/O Boards & Industry Pack Modules; Single Board Computers, Mass Storage & I/O Modules for VPX, VME, CPCI & PMC
ALTA DATA TECHNOLOGIES	Next-Generation MIL-STD 1553 & ARINC 429 Products for PCI, PMC, cPCI, & PC/104-Plus
EQUIPTO ELECTRONICS CORP.	Electronic Packaging Solutions including Electronic Cabinets to meet Earthquake, EMI/RFI, FCC, Mil Spec, TEMPEST & EMP Requirements; NEMA Enclosures, Consoles, Subrack Card Cages & Chassis
PENTEK	Rugged & COTS High-Speed, Real-Time Recording Systems & Embedded Boards for DSP; Software Radio & Data Acquisition with Digital & Analog Interfaces; FPGAs for AMC, XMC, FMC, PMC, cPCI, PCIE, VME & VPX; ISO 9001:2008 Certified

## **DATA ACQUISITION SYSTEMS / SIGNAL CONDITIONING / TRANSDUCERS / CALIBRATION**

ACROMAG	Network I/O & Signal Conditioning Process Instruments; Distributed I/O Solutions for Ethernet, Modbus, Profibus & Hart Networks; Signal Conditioning
DATA PHYSICS CORP.	Dynamic Signal Analyzers, Vibration Control Systems, Electrodynamic Shakers & Accessories
DEWESoft	Data Acquisition Systems & Software: Rugged, Scalable, Portable & Lab
DTS (Diversified Technical Systems)	Data Acquisition Systems & Sensors for Dynamic Testing in Extreme Environments: Rugged, High-Speed, Miniature
FLOW TECHNOLOGY, INC.	Fluid & Gas Flow Instrumentation & Calibrators: Turbine, Electromagnetic, Positive Displacement & Ultrasonic Flow Meters
HAWK MEASUREMENT AMERICA	Level Measurement, Positioning & Flow Instrumentation: Continuous Level Transmitters, Non-Contact & Fluidic Flow Measurement
MENSOR, LP	Pressure Controllers, Calibrators & Primary Standards, Precision Pressure Transducers, Digital Pressure Gauges & Indicators for a Wide-Range of Applications & OEM
PENTEK	Data Acquisition Products & Digital Signal Processing for VME, cPCI, PCI, XMC, VXS & VMC
PMC ENGINEERING	Precision Pressure Transmitters & Transducers, Submersible Depth & Level Transmitters & Accessories
TEAM CORP.	High-Performance Vibration Test Systems & Related Components Including: Head Expanders, Slip Tables, Hydraulic Actuators & Hydrostatic Bearings
